gme@sidra.org

Step 1

Announcement of
Fellowship Program
Posts

Sidra Medical Education Office will announce the available fellowship posts through SIDRA Website.

The information will be also sent to the respective Program Directors and Trainees via Graduate Medical Education Office email account.

Step 2

Application and
Submission of
Requirements

Interested Residents are asked to fill the application form manually and submit all the necessary requirements mentioned in the announcement to Sidra Medical Education Office, on or before the set deadline.

Kindly send the documents to:
gme@sidra.org

Step 3

Applications Review

Medical Education Office will review all the applications.

Complete files will be forwarded to HMC Medical Education Office for approval.

Step 4

Setting the Interview
Schedule

For combined Programs: Medical Education Office at Sidra will coordinate with program leads on both sides to set the interview schedule.

Once arranged, the candidates for each program will be notified.

Step 5

Post-interview
Process

Interview results will be collated by the Medical Education Office at Sidra , and further submitted to Medical Education Office at HMC for final approvals.

Step 6

Matching Results

Once the list of successful candidates is approved, the results will be announced to all the Program Directors of relevance and also to the chosen candidates via Sidra Medical Education Office.
