

Hello!

Welcome to Sidra Medicine, Qatar's latest specialist hospital dedicated to the care of women, children and young people. It includes an outpatient clinic, a main hospital and a research institution. It is also an academic medical center. We have designed every aspect of a patient's journey to ensure the well-being and comfort of our patients and their families at all times. Our team is dedicated to meeting the needs of every patient and our visitors in a caring, respectful and compassionate way.

We have developed this guide to help answer many of your questions and make your stay or your visit to Sidra Medicine as positive as possible. We also have a patient and family handbook which has more details related to inpatient care and services. Please speak to information desk to get your copy.

About Sidra

Sidra Medicine forms an integral part of the dynamic education, research, and community development environment at Qatar Foundation. Through strong partnerships with leading institutions in Qatar and around the world, Sidra Medicine helps to position Qatar as a leading center of excellence for healthcare globally. It represents the vision of Her Highness Sheikha Moza bint Nasser who serves as its Chairperson.

Vision

Sidra Medicine is a beacon of learning, discovery and exceptional care, ranked among the top academic medical centers in the world.

Mission

Sidra will provide patients with world class healthcare services in an innovative and ultramodern facility specially designed to promote healing. In particular, it will initially address the growing need for more comprehensive patient-focused medical services for women and children in Qatar and throughout the region.

Your Room

Our luxurious and spacious rooms provide a level of comfort that has raised the standard for hospital inpatient care. All rooms at Sidra Medicine are private with a private bathroom and window looking out into the healing gardens. Your room has been assigned to you based on the type of medical care you need and the appropriate nursing unit to provide that care. Your room features a smart bed that can automatically make adjustments to accommodate your unique needs for sleep and daytime relaxation. Bedside rails contain controls for the bed and TV as well as the nurse call button. Room temperature can be adjusted with the help of a member of the health care team.

Linens and Toiletries

Sidra Medicine's commitment to providing you with a luxurious and comfortable stay is illustrated by the personal linens on offer. Your bed has been made with high-thread count cotton sheets and the softest blankets. Your private bathroom is stocked with plush towels and warm bathrobes. The silhouette of the gowns we provide is influenced by the abaya, providing modest coverage and a comfortable fit. Linens are laundered professionally and replaced daily. Extra pillows, blankets, towels, and robes are available by request. Please do not hesitate to ask your nurse for assistance with your personal grooming, including requesting additional toiletries you may require.

Personal Items and Valuables

Sidra Medicine cannot take responsibility for the lost, stolen or damaged personal belongings of patients or visitors. If you have brought valuables with you to the hospital, we recommend you send them home with a family member. However, if you prefer to keep a few small valuable items on hand, we encourage you use the in-room safe. Instructions on how to use the safe can be found inside the safe. If you do choose to place valuables in the safe, please remember to remove them when you are discharged from the hospital.

Patient Engagement System

The Patient Engagement System provides you with access to information, services and entertainment in your room. Please refer to the in-room guide for further instructions.

Telephone Calls

When calling from your room phone, dial only the last five digits. For external calls to a local landline from your room, dial (9) to get a line followed by the number you wish to call. Long Distance / International calls, or calls to mobile phones are currently unavailable.

Patient Room Meals

We are proud to present room service for patients within set mealtimes. All meals are prepared and cooked on site and are designed to meet the needs of each individual patient's dietary requirements. Be sure to tell your nurse about any food allergies or special dietary needs to ensure that the appropriate food choices are provided.

Meal Delivery times:

- Breakfast: **7:30am - 9:30am**
Lunch: **12:00am - 2:00pm**
Dinner: **6:00pm - 8:00pm**

Because all of our food is freshly prepared and cooked on site, we are able to customize patient meals. Our in-house catering service ensures that patient dietary requirements are met and individual treatment plans are supported. As such, for the safety and well-being of our patients, we do not allow outside food to be brought into the hospital. Sidra Medicine reserves the right to refuse deliveries made to patients.

Guest Meals

A room service menu is available 24 hours a day for your guest to take advantage of while they visit a family member or friend in the hospital. Please refer to the menu included in the in-room guide for details and pricing. Please note that for safety reasons this service may not be available in all clinical areas.

Overnight Stay for Family

Our patient rooms are designed to accommodate at least one parent / family member / spouse staying with the patient throughout the hospital stay, and we encourage parents / family members to do so. Please let your nurse know if we can do anything to make your stay more comfortable.

For Visitors

Support from loved ones is crucial to an enjoyable hospital stay and a successful recovery. We encourage family and friends to be a part of the healing process by visiting our inpatients during their treatment. Visiting hours and the number of visitors allowed will vary by unit. Before you invite your loved ones to visit you at Sidra Medicine, please consider the following:

- Find out what the visiting hours and visiting guidelines are for your unit by asking a nurse or unit clerk.
- Kindly ask family and friends who are sick, have a cold, the flu, diarrhea and vomiting or other contagious illness to wait until 48 hours or until they are well to visit you.
- Children and sibling visits can be arranged with your nurse. Children must be accompanied by an adult at all times. Remind your friends and family that the visiting hours and guidelines are in place to support patient safety and respect the privacy of all patients.

Outpatient Clinic Visitors:

For the comfort of our patients, we encouraged families to limit the number of companions to three (3) at a time while occupying a waiting room and/or when entering a patient care room within the OPC (subject to the requirements of each department). Patient's parents are encouraged to limit companions by leaving infant and child sibling companions at home. Where additional sibling companions (including nannies) are present, Sidra Medicine reserves the right to ask them to wait in the main Lobby/waiting areas. Children 14 years and under must be accompanied by a responsible adult at all times in and around the OPC.

- Emergency Department - Waiting Area

Outpatient clinics

- Plaza Level – near to the patients/visitor’s elevator

Healing Gardens

One of the most unique features about Sidra Medicine is the location of three healing gardens – designed to create an oasis within the oasis of the hospital. Patient rooms look out over the gardens and provide a view of plants and activity as a respite and to offer a change of scenery. Two of the gardens have water features, with seating underneath a tree canopy to enhance the warm and inviting atmosphere. Soft, colorful spheres in the third garden encourage children to play and interact.

Public Play Areas

There are two public play areas for children in the main hospital building. The play areas are located on the plaza level between towers B & C, and towers C & D. Please note that an adult must accompany the children in the play zone.

Fifty One East Store:

Opens every day from 9:00 A.M. – 10:00 P.M. Located in Tower B, Plaza level of the hospital building next to the main information desk.

Dining Options

Our Hospital Cafeteria is open 24 hours, seven days a week. It is located at the Mall level (escalators or elevators will take you down from the Plaza level). The cafeteria is designed in the style of a food court with many options to suit tastes from around the world. Allergy information is also available for all items.

Between these times, the cafeteria also has a selection of ‘grab and go’ sandwiches, salads, snack items, beverages and confectionary. Other dining options:

- Dean & David which is located at the Outpatient Clinic building – Plaza Level. It is open from 6.30 am to 3.30 pm.
- Caffè Como located in Tower A, Plaza level in Hospital building. Opens Sunday to Thursday 6 Am to 8PM Friday and Saturday from 7AM to 6PM.

Health & Safety Considerations

To ensure that we can provide you with patient-centered quality care and services, we ask that you always:

- Keep the hospital a quiet and restful place.
- Respect the rights, privacy and property of other patients and staff and follow Sidra's rules and regulations.
- Refrain from foul, threatening or inappropriate language.
- Refrain from hitting or threatening a family member, a patient or staff.
- Refrain from bringing a weapon into the facility.
- Ask questions of your healthcare team when you don't understand something.
- Adhere to the care plan that your medical team has developed for you.
- Be on time for your medical appointments or call in advance to reschedule.
- Fulfill your financial obligations for your healthcare as promptly as possible.
- Provide accurate and complete information in order for Sidra to receive payment for services.

Patient ID for Procedures and Medication

When admitted to the hospital, you are given an ID band with your name, date of birth and medical record number. This band must be worn at all times during your hospitalization. Staff members will always check your safety band before giving you medicine or performing a test or procedure.

Preventing Infections

Prevent infections by cleaning your hands and reminding others to clean theirs too. Use hand sanitizer gel or wash your hands with soap and water before eating or after touching anything that might be spoiled. Make sure your family, visitors and companions wash and sanitize their hands before and after seeing you.

To prevent the spread of respiratory infections, cover your mouth and nose when sneezing or coughing. Tissues and masks are available upon request. We urge you to use them if you have a runny nose or cough, or if you are sneezing.

Preventing Injuries

In the hospital, patients are at a high risk of falling. Illness, surgery and medicines can weaken muscles and/or affect balance and judgement. Also, medical equipment and the unfamiliar environment can make movement more difficult.

During your stay, we will ask you about your history of falls, and assess your risk of falling when admitted and as your condition changes. To improve the odds of not falling, follow these guidelines:

- If you feel dizzy or weak, inform your nurse for assistance before you get up.
- Make sure to wear nonslip slippers.
- Prevent falls by getting up slowly.
- Before standing, sit on the edge of the bed for a few minutes.

Smoking Policy

Sidra Medicine is a non-smoking hospital. To support a healthy environment for patients, visitors and staff, the Sidra Medicine campus is smoke-free. This includes all sidewalks, door areas and car parks.

Lost & Found items

Sidra Medicine is not responsible for lost, stolen or damaged items. If an item has been lost please contact Support Services Operation Center 'SSOC' team. Internal: Dial (11) from your phone and then (6).

External: Dial 40038888 and ask Sidra Assist to transfer you to security.

Fire Safety

Personal care items such as electric razors, hair dryers and other electrical equipment must be checked for compliance with hospital regulations. If you have any electrical items with you, please tell your nurse. We hold regular fire and disaster drills as part of our concern for your safety and well-being. During your stay, you may hear various alarm bells. Your care will not be interrupted during these drills. Should a situation arise, you can be assured that you will be moved to safety immediately.

Photos

We welcome you to take pictures or video of yourself or family members at our hospital. However, we cannot allow pictures or videos of other patients, staff or any medical procedures without permission or post in the media.

Dress Code

Kindly make sure you dress in a proper, conservative and respectful manner. Respect for the culture and religious beliefs of the State of Qatar should be shown at all times. If you wear clothing that is deemed too revealing or inappropriate, you will be asked to put on a sweater or jacket or to visit at another time.

Other Considerations

Flowers and plants are allowed within the hospital, but we request that the arrangements are kept small. Arrangements that are not small can potentially cause a danger to your loved ones or to other patients. Kindly note that big or noisy toys and fragile items are not allowed. We also don't allow for personal decorations, pictures and other items to be hung on the walls.

Your Discharge

Discharge Process

Your doctor will order your discharge. Your nurse will go over some paperwork with you before discharge. If you need follow-up care such as home health or outpatient treatment, we will help make the arrangements.

Before you leave the hospital:

- Talk with your doctor about post-hospital care, diet, bathing, exercise and medications.
- Check drawers, closets and the bedside table for your personal belongings.
- If you have any valuables in the safe, please ask for them before you leave.
- Remember that you will be responsible for getting your prescriptions filled at the pharmacy of your preference.

For Financial Discharge information contact +974 4003 0899 or email financialcounselors@sidra.org

Medical Records

- You or your legal representative may request a copy of your medical records. Only parents and guardians are entitled to collect their children's medical records unless an authorization letter is given to a representative who should also have the original QID card.
- Requests and collections must be done in person at the Medical Records office located at the main hospital building, plaza level, Office PA100A.
- Working hours are Sunday to Thursday from 7:00 am to 1:00 pm.
- For further information kindly call +974 4003 7000 or email roi@sidra.org

Self – Discharge or Refusal of Treatment

Every patient has the right to make their own decisions about their health and the healthcare they receive.

This includes the right to accept or refuse treatment and leave the hospital against medical advice. However, if you choose to do this, you will be advised of the consequences and health risks of your decision and asked to sign a release form, which will be placed in your medical record.

Billing and Insurance

In addition to providing you with the best available health care, Sidra Medicine is committed to convenient and reliable billing services. Sidra Medicine has a team of financial counsellors to discuss care options, including payments and insurance coverage. Please call 4003-0899 (Sunday to Thursday between 7 am and 7 pm, Weekends and Holidays between 10 AM and 6:30 PM) or email financialcounseling@sidra.org for more details.

Patients who are medically discharged by their physician are required to vacate the hospital bed within 5 hours after notification from the physician. Patients who choose to remain in the hospital for convenience or other reasons will be responsible for paying the full charges for each additional night in the hospital. These charges may be as much as 5,000 QAR per night.
